

Design Challenge Analysis

The 'Design Challenge Analysis' tool is used to explore and discuss the value of each design challenge. Use one page for each dimension of challenges. Use the design challenge table to organise all the challenges and vote.

Dimension:

<div>Scenario:</div>	<div>Scenario:</div>	<div>Scenario:</div>
<div>Use this space to explore the value of the challenge: what is provocative about this? What is interesting or unusual about this opportunity? How might this be meaningful to the organisation?</div> <div>.....</div> <div>If you'd like to, use this space to refine and rewrite the challenge.</div>	<div>Use this space to explore the value of the challenge: what is provocative about this?
